Saddam Hussein was not alone in buying influence at the U.N. where corruption goes far beyond the Iraq oil-for-food scam. For more than 30 years, Arab states have used their oil wealth, and the threat of withholding oil, to guarantee an automatic anti-Israel majority.

For more than 30 years, Arab states have used their oil wealth, and the threat of withholding oil, to guarantee an automatic anti-Israel majority. The U.N. General Assembly, dominated by Arab and Muslim states, most of whose schools, media and mosques promote Jew-hatred, repeatedly pass one-sided, anti-Israel (and anti-American) resolutions, and blocks criticism of Palestinian and broader Arab actions, including genocide.

The General Assembly has repeatedly convened emergency sessions dedicated to condemning the Jewish State but has held no such sessions on the Rwandan massacres, Indonesian crimes in East Timor, ethnic cleansing in the former Yugoslavia, Iraqi slaughter of Kurds, Vietnamese mass murder of ethnic Chinese or genocide in the Sudan. (Sudan, a member of the Arab League, has been protected at the U.N. by Arab states, despite the Sudanese government’s genocide against Christians and non-Arab Muslims.)

Israel is the only country subject to hostile scrutiny by a standing committee — the “Special Committee to Investigate Israeli Practices Affecting the Human Rights of the Population of the Occupied Territories.”

The Arab-Israeli conflict is the only global dispute in which one side’s position — the Arab side — is advanced through direct U.N. funding and support. U.N. Secretariat and General Assembly branches spend millions of dollars a year to advocate a pro-Palestinian agenda through conferences, publications and films that delegitimize the State of Israel.

The United Nations Relief and Works Agency for Palestine Refugees (UNRWA) is the only U.N. agency dedicated to assisting a specific group of refugees, the Palestinian Arabs, who comprise just 13.5% of all refugees globally. UNRWA schools use anti-Semitic textbooks which seek to delegitimize Israel and promote its destruction.

The U.N.’s dangerous bias and scapegoating of Israel deserve full and accurate exposure in the media.
